## PROFESSIONAL PROFILE

Marketing and creative professional with experience in content development, campaign ideation, social media, advertising research, and digital production. My background includes fashion marketing, independent publishing, educational content, and podcast production. I work across research, writing, and visual content, with a particular interest in brand strategy and creative direction.

## PROFESSIONAL EXPERIENCE

### DAXUEN

Marketing Intern | September 2026 to Present

- Developed creative concepts and content ideas for fashion marketing campaigns and social media.
- Created AI-assisted visual content using creative references, image generation, and editing tools.
- Researched competitors' Google and Meta advertising to examine their creative approaches, messaging, and content formats.
- Participated in marketing activities involving content development, influencer marketing, and advertising.
- Worked on campaign visuals and social media materials, incorporating feedback and revisions.

### BellaBelles Egypt

Creators Program Participant | August 2026 to September 2026

- Planned and produced visual content for the brand as part of its creators program.
- Developed content around the products and requirements provided by the brand.
- Completed and delivered the agreed creative materials.

### Thy Academia

Founder | 2022 to 2025

- Founded and managed an independent educational platform.
- Researched and developed content covering academic life, studying, productivity, and student wellbeing.
- Planned, wrote, and published educational content across Instagram and Medium.
- Managed the platform's editorial direction, content planning, and visual communication.

### Life Sculptor

Research Volunteer | 2022 to 2023

- Assisted with research and information gathering on psychology-related topics.
- Reviewed and organized information for educational and research purposes.
